## 6. Community Reinvestment Act (CRA)

The Community Reinvestment Act (CRA) requires us to track donations to organizations that provide services to low and moderate income people. Low income is defined as income, individual or family, that is less than 50% of the area median income. Moderate income is defined as income, individual or family, that is at least 50% and less than 80% of the area median income. The median income guidelines can be looked up by county using the FFIEC Online Census Data System at <http://www.ffiec.gov/census/default.aspx>.

Please complete the following statement:

Per the FFIEC website the median income for \_\_\_\_\_ County is \$\_\_\_\_\_.

I certify that \_\_\_\_\_% of the beneficiaries of our services are individuals who qualify as low to moderate income, according to FFIEC income qualifications as stated above.

If you have any questions about the Community Reinvestment Act, please feel free to contact Vanessa Curry at 526-1369 or [curryv@bakerboyer.com](mailto:curryv@bakerboyer.com)
