Helpful Hints

*

To return to the Previous Menu at anytime, press " " or say "Cancel"

To receive detailed instructions for the menu option, say "Help"

While listening to withdrawals and deposits in the Checking or Saving menus, you may also use the following keys:

- Press "7" at any time to hear missed information by rewinding to the last transactions
- Press "8" at any time to repeat the current transaction being played
- Press "9" at any time to fast forward to the next transaction.

You may interrupt the recording at any time by pressing the number or saying the name of the desired function.

For your protection, callers have a maximum of three consecutive attempts to enter their correct PIN. Once the limit is reached, any accounts that share that PIN will be locked from use until the PIN is reset by a customer service representative.
